## Application for STUDENT MEMBERSHIP

2026

The **International Society for the History of the Neurosciences (ISHN)** was founded in 1995. Its mission is to:

- improve communication between individuals and groups interested in the history of neuroscience;
- promote research in the history of neuroscience; and
- promote education in and stimulate interest for the history of neuroscience.

The ***Journal of the History of the Neurosciences: Basic and Clinical Aspects***, the official organ of the society, is published by Taylor & Francis. Now in its 35th year, the Journal provides a forum for investigations in the field of neuroscience history, as broadly defined, including the history of basic, clinical, and behavioral neurosciences, ancient and non-western topics, and significant individuals, events, and technical advances. ISHN is a focal point for those interested in neuroscience history and offers, through its journal and annual meeting, opportunities to contribute to this rapidly growing field.

**STUDENT MEMBERSHIP FOR THE CALENDAR YEAR JANUARY-DECEMBER 2026 IS FREE OF CHARGE.** Student membership in the ISHN includes all privileges of membership and all mailings **except** an annual subscription to the *Journal of the History of the Neurosciences*.

The signature of a Faculty Sponsor is required as confirmation of the student's status.

Please mail your completed form to the *ISHN Secretary*, Yuri Zagvazdin ([yuri@nova.edu](mailto:yuri@nova.edu)).

Students who are interested in receiving the journal (electronic/online individual subscription) are encouraged to subscribe with instructions at: [www.ishn.org](http://www.ishn.org).
