

# Do you identify as autistic or think you might be?

**UCLA**

Researchers at UVA are trying to improve autism diagnosis for teens and adults. You might be able to join if:

- § You are between ages 16-39
- § You are autistic or think you might be

If you join, you will complete 1-2 visits in person or online. You can receive:

- Up to \$300 for your time
- Evaluation for an autism diagnosis and a report at no cost to you

Visit <https://ace-missed.org> or scan the QR code to learn more!
